## Healing of the Hemorrhaging Woman

### A HEALING TOUCH

Matthew 9: 20-22

20 Just then a woman who had suffered for twelve years with constant bleeding came up behind him. She touched the fringe of his robe,

21 for she thought, "If I can just touch his robe, I will be healed."

22 Jesus turned around, and when he saw her he said, "Daughter, be encouraged! Your faith has made you well." And the woman was healed at that moment.

The Hemorrhaging Woman put her faith in Jesus. We also must have faith and put our trust in the Lord. We should ask ourselves, What is in me that needs healing? What is it that has been draining me of energy?

Christ did not only heal this woman, he left us all the gift of healing and we can find it each day at Mass in the Eucharist. We need to approach the Eucharist in faith and we too can experience healing. The Physician has left his medicine for all to take and the only thing required in return is faith. So come to Jesus and like the hemorrhaging woman, you too will find peace.
